#### **MAILING OF CIRCULAR**

This Circular is being mailed together with a notice of meeting, request card and proxy or voting instruction form (collectively, the "Meeting Materials"), in accordance with applicable laws, except to those shareholders who requested the information to be delivered by electronic mail. We are not sending Meeting Materials using the 'Notice and Access' procedures available under NI 54-101 in respect of this Meeting. If you are a shareholder and you wish to receive the Company's annual financial statements and/or interim financial statements and the accompanying management's discussion and analysis ("MD&A") thereon, please complete and return the request card included in the Meeting Materials.

#### **CURRENCY EXCHANGE RATES**

Financial information contained in this Circular is in Canadian Dollars unless otherwise indicated.

## **GENERAL PROXY INFORMATION**

### **Solicitation of Proxies**

Solicitation will be primarily by mail, but some proxies and VIFs may be solicited personally or by telephone by regular employees or directors of the Company at a nominal cost. The cost of solicitation by management of the Company will be borne by the Company. We have arranged for Intermediaries to forward the Meeting materials to Beneficial Shareholders held of record by those Intermediaries and we may reimburse the Intermediaries for their reasonable fees and disbursements in that regard.

### **Completion and Voting of Proxies and VIF's**

#### **Voting**

Voting at the Meeting will be by a show of hands, each registered shareholder (a "**Registered Shareholder**") and each person representing a Registered or Beneficial Shareholder through a Proxy or VIF (a "**Proxyholder**") having one vote, unless a poll is required (if the number of Common Shares represented by Proxies and VIFs that are to be voted against a motion are greater than 5% of the votes that could be cast at the Meeting) or requested, whereupon each such shareholder and Proxyholder is entitled to one vote for each Share held or represented, respectively.

#### **Appointment of Proxyholders**

The persons named in the accompanying form of proxy (the "**Proxy**") are directors and/or officers of the Company. **If you are a Registered Shareholder, you have the right to attend the Meeting or vote by Proxy and to appoint a person or company other than either of the persons designated in the Proxy, who need not be a Shareholder, to attend and vote on the Shareholder's behalf at the Meeting. To exercise this right, the Registered Shareholder may insert the name of the Shareholder's nominee in the space provided or, by completing and delivering another suitable form of Proxy.**

#### **Voting by Proxyholder**

A Registered Shareholder may indicate the manner in which the Proxyholders are to vote on behalf of the Registered Shareholder, if a poll is held, by marking an "X" in the appropriate space of the Proxy. **If both spaces are left blank, the Proxy will be voted as recommended by management for any matter requiring a "For" or "Against" vote, and in favour of the matter for any matter requiring a "For" or "Withhold" vote.**

The Proxy must be dated and signed by the Registered Shareholder or the Registered Shareholder's attorney authorized in writing. In the case of a corporation, the Proxy must be dated and executed under its corporate seal or signed by a duly authorized officer of, or attorney for, the corporation.

**The Proxy when properly signed, confers discretionary authority with respect to amendments or variations to the matters identified in the Notice.** The Company's management is not aware that any amendments or variations are to be presented at the Meeting. If any amendments or variations to such matters should properly come before the Meeting, the Proxies and VIFs hereby solicited will be voted as recommended by management.

**Shareholders may vote their completed Proxies, in accordance with the instructions set out on the Proxy. If voting by mail, Shareholders must return their completed Proxies, together with the power of attorney or other authority, if any, under which it was signed or a notarially certified copy thereof, in accordance with the instructions set out on the Proxy. Proxies and VIFs received after the time set out in the Proxy or VIF for delivery thereof may be accepted or rejected by the Chairman of the Meeting in the Chairman's discretion.**

## Registered Shareholders

Only persons registered as Shareholders in the Company's central Security Register maintained by its registrar and transfer agent or duly appointed Proxyholders will be recognized to make motions or vote at the Meeting. Registered Shareholders who choose to submit a Proxy may do so by one of the following methods:

- (a) complete, date and sign the enclosed form of Proxy and return it to the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by fax within North America to 1-866-249-7775, by fax outside North America to 416-263-9524, by mail or by hand to the 8th Floor, 100 University Avenue, Toronto, Ontario, Canada, M5J 2Y1, or by hand delivery to the 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, Canada, V6C 3B9; or
- (b) log onto the internet website of Computershare at [www.investorvote.com](http://www.investorvote.com). Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy form for the holder's account number and the proxy access number.

Registered Shareholders must ensure the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or any adjournment thereof.

## Beneficial Shareholders (Unregistered Shareholders)

Beneficial Shareholders holding their Common Shares through Intermediaries' will not be recognized nor may they make motions or vote at the Meeting except as described below.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary those Common Shares are probably not registered in the Shareholder's name. Such Common Shares will probably be registered in the name of the Intermediary or its nominee and can only be voted through a duly completed Proxy given by the Intermediary. Without specific instructions, Intermediaries are prohibited from voting Common Shares for their clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate party well in advance of the Meeting.**

NI 54-101 requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Intermediaries may have their own mailing procedures and provide their own form of VIF to clients, which should be carefully followed by Beneficial Shareholders to ensure their Common Shares are voted at the Meeting.

There are two kinds of Beneficial owners – those who object to their name being made known to the issuers of securities which they own (called "**OBOS**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for Non-Objecting Beneficial Owners).

The Company does not intend to pay for an Intermediary to deliver to OBOs, as defined in NI 54-101, the proxy-related materials and Form 54-101F7 - *Request for Voting Instructions Made by Intermediary*. As a result, an OBO will not receive the materials unless the OBO's Intermediary assumes the cost of delivery.

The VIF supplied to you by Intermediaries is substantially similar to the Proxy provided by the Company directly to Registered Shareholders, however, it is limited to instructing the Intermediary (as the Registered Shareholder) how to vote on your behalf.

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a Beneficial Owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the Intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your

proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

The form of Proxy supplied to you by your broker will be similar to the proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote your Common Shares on your behalf. Most Intermediaries in Canada and the United States of America ("USA") delegate responsibility for obtaining instructions from clients to a third-party corporation such as Broadridge Financial Solutions, Inc. ("Broadridge"). Broadridge mails a VIF in lieu of a Proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting, and that person maybe you. To exercise this right, you should insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting, and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted at the Meeting and to vote your Common Shares at the Meeting.**

Beneficial Shareholders with questions respecting the voting of Common Shares held through an Intermediary should contact that Intermediary for assistance.

### **United States Shareholders**

This solicitation of Proxies and VIFs involve securities of a corporation located in Canada and is being effected in accordance with the corporate and securities laws of the province of British Columbia, Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Company or this solicitation. Shareholders should be aware that disclosure and proxy solicitation requirements under the securities laws of British Columbia, Canada differ from the disclosure and proxy solicitation requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia) (the "Act"), some of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign corporation or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign corporation and its officers and directors to subject themselves to a judgment by a United States court.

### **Revocation of Proxies**

Shareholders have the power to revoke Proxies and VIFs previously given by them. Revocation of Proxies can be effected by a Registered Shareholder by:

- (a) an instrument in writing (which includes executing a Proxy bearing a later date or by executing a valid notice or revocation, either of the foregoing to be signed by the Registered Shareholder or the Registered Shareholder's attorney authorized in writing and, for a corporation, executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation, and by delivering the proxy bearing a later date to Computershare or at the address of the registered office of the Company at Suite 335 – 1632 Dickson Avenue, Kelowna BC V1Y 7T2 at any time up to and including the last business day before the day set for the holding of the Meeting, or if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any manner provided by law, or at which the Proxy is to be used, or

- (b) personally attending Meeting and voting the Registered Shareholder's Common Shares. A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

Beneficial Shareholders who wish to revoke a VIF or a waiver of the right to receive proxy-related materials should contact their Intermediaries for instructions.

### **INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON**

Other than as disclosed herein no director or executive officer of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors described herein (*See Particular Matters to be Acted On*).

### **RECORD DATE AND QUORUM**

The articles of the Company (the "**Articles**") provide that a quorum for the transaction of business at a meeting of Shareholders is two persons who are, or represent by Proxy, Shareholders holding in the aggregate, at least five (5%) percent of the issued Common Shares entitled to be voted at the Meeting. Unless otherwise noted, a simple majority of the votes cast at the Meeting (in person or by Proxy) is required in order to pass the resolutions referred to in the accompanying Notice.

As at the date of this Circular, **40,461,667** Common Shares without par value were issued and outstanding, each such Common Share carrying the right to one (1) vote at the Meeting. The record date has been fixed in advance by the directors of the Company at **September 28, 2020** for the purpose of determining those Shareholders entitled to receive notice of, and to vote at the Meeting.

### **Approval of 10% Rolling Stock Option Plan**

On August 5, 2014 a 10% fixed stock option plan (the "**Fixed Plan**") was approved by shareholders and adopted by the directors of the Company that same day and approved by the TSX Venture Exchange (the "**Exchange**") on October 14, 2015 reserving up to 1,159,500 common shares for issue pursuant to options granted under the Fixed Plan.

On July 2, 2020 the directors, subject to Shareholder approval amended the Fixed Plan to that of a 10% rolling stock option plan (the "**Rolling Plan**") which provides for at any time a total of 10% of the issued and outstanding Common Shares of the Company available for issuance thereunder. In accordance with policy 4.4 of the Exchange all rolling stock option plans, such as the Company's proposed plan requires the approval of the Shareholders of the Company on adoption and thereafter on an annual basis.

### ***Summary of Rolling Plan***

The Rolling Plan will allow for 10% of the issued and outstanding shares of the Company to be available for issuance thereunder. The purpose of the Rolling Plan is to allow Jiulian to grant options to directors, officers, employees, management employee and consultants ("**Eligible Person**"), as additional compensation, and as an opportunity to participate in the success of Jiulian. The granting of such options is intended to align the interests of such Eligible Persons with that of the shareholders.

The Rolling Plan provides that, subject to the requirements of the Exchange, the aggregate number of securities reserved for issuance, set aside and made available for issuance under the Rolling Plan may not exceed 10% of the issued and outstanding shares of the Company at the time of granting of options (including all options granted by the Company to date). The number of Common Shares which may be reserved in any 12 month period for issuance to any one individual upon exercise of all stock options held by that individual may not exceed 5% of the issued and outstanding Common Shares of the Company at the time of the grant. The number of Common Shares which may be reserved in any 12 month period for issuance to any one consultant may not exceed 2% of the issued and outstanding Common Shares and the maximum number of Common Shares which may be reserved in any 12 month period for issuance to all persons engaged in investor relations activities may not exceed 2% of the issued and outstanding Common Shares of the Company. The Rolling Plan provides that options granted to any person engaged in investor relations activities will vest in stages over 12 months with no more than  $\frac{1}{4}$  of the stock options vesting in any three month period.

The Rolling Plan will be administered by the Board or a special committee of directors, either of which will have full and final authority with respect to the granting of all stock options thereunder. Stock options may be granted under the Rolling Plan to such Eligible Persons, as the board of directors may from time to time designate.

The exercise price of any stock options granted under the Rolling Plan shall be determined by the Board, but may not be less than the market price of the Common Shares on the Exchange on the date of the grant (less any discount permissible under Exchange rules). The term of any stock options granted under the Rolling Plan shall be determined by the Board at the time of grant but, subject to earlier termination in the event of termination or in the event of death, the term of any stock options granted under the Rolling Plan may not exceed ten years. Options granted under the Rolling Plan are not to be transferable or assignable other than by will or other testamentary instrument or pursuant to the laws of succession. Subject to certain exceptions, in the event that an Eligible Person ceases to be an Eligible Person, in relation to the Company, stock options granted to such Eligible Person under the Rolling Plan will expire 90 days after such individual or entity ceases to act in that capacity in relation to the Company, or such later date as may be reasonably determined by the Board, notwithstanding such later date may not exceed 12 months from the date the Eligible Person ceased to be and Eligible Person.

Stock options granted to optionees engaged in investor relations activities on behalf of the Company expire 30 days after such optionees cease to perform such investor relations activities for the Company. In the event of death of an option holder, options granted under the Rolling Plan expire one year from the date of the death of the option holder.

The full text of the Rolling Plan is attached hereto as Schedule "B".

Accordingly, at the Meeting, Jiulian shareholders will be asked to pass an ordinary resolution ratifying and approving the Rolling Plan. All Jiulian shareholders present at the Meeting, whether in person or by proxy, will be entitled to vote on such resolution as follows:

Shareholder Approval of the Rolling Plan

"RESOLVED, as an ordinary resolution that:

1. the adoption of the Rolling Plan be ratified, confirmed and approved, subject to acceptance by the Exchange;
2. the Company be authorized to grant stock options pursuant and subject to the terms and conditions of the Rolling Plan at any time to a maximum of 10% of the issued and outstanding shares of the Company on the applicable grant date;
3. all issued and outstanding stock options previously granted under the Fixed Plan are hereby continued under and governed by the Rolling Plan;
4. the Board of Directors be authorized on behalf of the Company to make any amendments to the Rolling Plan as may be required by regulatory authorities, without further approval of the Shareholders of the Company, in order to ensure adoption of the Rolling Plan; and
5. any one or more directors and officers of the Company be authorized and directed to perform all such acts and deeds and things and execute, under seal of the Company or otherwise, all such documents, agreements and other writings as may be required to give effect to the true intent of these resolutions."

**Unless otherwise instructed, the person named in the enclosed proxy or voting instruction form intend to vote such proxy or voting instruction form in favour of the approval of the Rolling Plan. The directors of the Company recommend that shareholders vote in favour of the approval of the Plan. To be adopted, this resolution is required to be passed by the affirmative vote of a majority of the votes cast on the resolution.**

**Approval of the Grant of Options**

On July 2, 2020, the Company granted an aggregate of 300,000 options ("**Rolling Options**") at an exercise price of \$0.05 per Common Share and expiring on July 2, 2025 to certain directors of the Company (the "**Grantees**") pursuant to the proposed Rolling Plan including to the following insiders of the Company:

<b>Name</b>	<b>Number of Options</b>
Douglas Meirelles	150,000
Marc Leduc	150,000

Since the Rolling Options were granted prior to the requisite shareholder approval for the proposed Rolling Plan having been obtained, the policies of the Exchange require that the Company obtain disinterested shareholder approval for the grant of Rolling Options. In addition, such Rolling Options may not be exercised until disinterested shareholder approval for the grant of the Rolling Options is obtained. For this purpose, disinterested shareholders will include all shareholders of the Company other than the Grantees and each of

their respective associates. At the Meeting, the disinterested shareholders of the Company will be asked to consider and, if deemed advisable, to pass, with or without variation, an ordinary resolution (the "**Option Grant Resolution**") confirming and approving the grant of an aggregate of 300,000 Options pursuant to the Rolling Plan to the Grantees. All Jiulian shareholders present at the Meeting, whether in person or by proxy, will be entitled to vote on such resolution as follows:

Approval of Rolling Option Grant

"RESOLVED, as an ordinary resolution of disinterested shareholders that:

1. the grant of an aggregate of 300,000 Rolling Options as further described in the Circular of the Company dated October 10, 2020, be, and the same hereby is, ratified, confirmed and approved."

In order to be passed, the Option Grant Resolution requires the approval of a majority of the votes cast thereon by shareholders of the Company present in person or represented by proxy at the Meeting, excluding any votes attaching to shares beneficially owned by the Grantees and each of their respective associates. The directors of the Company unanimously recommend that shareholders vote in favour of the Option Grant Resolution.

**The persons named in the form of proxy accompanying this Circular intend to vote FOR the Option Grant Resolution, unless the shareholder of the Company who has given such proxy has directed that the Common Shares represented by such proxy be voted against the Option Grant Resolution.**

Other Business

While management of the Company is not aware of any business other than that mentioned in the Notice of Meeting to be brought before the Meeting for action by the shareholders, **it is intended that the proxies hereby solicited will be exercised upon any other matter or proposal that may properly come before the Meeting, or any adjournment thereof, in accordance with the discretion of the persons authorized to act thereunder.**

### **Oversight and Description of Director and NEOs Compensation**

#### *Compensation Review Process*

The Company does not have a formal compensation program. The Company's officers in most cases are compensated based on a daily or fixed monthly, amounts and are paid indirectly through professional management and consulting companies in which they are owners, contractors or employees. In establishing fees or salaries for the Company's CEO, other executive officers and directors, consideration is given to salary ranges for comparable positions in similar size resource industry companies. Data for such comparisons is obtained from the evaluation of compensation against industry peers including those with a similar market capitalization, in the business of exploring similar minerals in similar jurisdictions, and from reviewing similar other companies' compensation information included in their information circulars. In setting salaries within competitive ranges, the Company considers performance related factors including the Company's overall results during the past year and its performance relative to a budgeted plan or stated objectives. Consideration also is given to an individual's contribution to the Company and the accomplishments of departments for which that officer has management responsibility, and the potential for future contributions to the Company.

In keeping with the relatively simple compensation structure adopted by most venture issuers, the Company's executive compensation for its executive officers has two primary components, cash compensation and incentive stock options.

#### *Compensation Risk Assessment and Mitigation*

Although the Company does not have formal policies specifically targeting risk-taking in a compensation context, the practice of management and the Board is to consider all factors relating to an executive officer's performance, including any risk mitigation efforts or excessive risk-taking, in determining compensation.

Under the Company's policies, executive officers and directors are not permitted to purchase financial instruments (including prepaid variable contracts, equity swaps, collars or units of exchange funds) that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held directly or indirectly by the executive officer or director.

#### *Elements of Executive Compensation Program*

The Company's compensation program consists of the following elements:

- (a) base salary or consulting fees;
- (b) bonus payments; and
- (c) equity participation through the Plan.

### *Base Salary or Consulting Fees*

Base salary ranges for NEOs were initially determined upon review of salaries paid by other companies that are comparable in size to the Company.

In determining the base salary of a NEO, the Board considers the following factors:

- (a) the particular responsibilities related to the position;
- (b) salaries paid by other companies in the same industry, which were similar in size and stage of development as the Company;
- (c) the experience level of the NEO;
- (d) the amount of time and commitment which the NEO devotes to the Company; and
- (e) the NEO's overall performance and performance in relation to the achievement of corporate milestones and objectives.

### *Bonus Payments*

Each of the NEOs, as well as all employees, are eligible for an annual bonus, payable in cash or through option-based compensation. The amount paid is based on the Board's assessment of the Company's performance for the year. Factors considered in determining bonus amounts include individual performance, financial criteria (such as cash management and share price performance) and operational criteria (such as significant acquisitions of mineral properties and the attainment of corporate milestones). The Company did not award any bonuses during its financial years ended February 29, 2020 and February 28, 2019.

### *Equity Participation*

The Company currently offers equity participation in the Company through the Plan.

### *Executive Compensation*

Except for the grant of Options to the NEOs and any compensation payable pursuant consulting fees incurred for the performance of duties by the CEO the CFO there are no additional arrangements under which NEOs were compensated by the Company during the two most recently completed financial years for their services in their capacity as NEOs, directors or consultants.

### *Director Compensation*

The Company does not currently pay compensation to non-management directors, nor are they paid for attendance at board meetings. The directors are reimbursed for expenses occurred in carrying out their duties as directors and are granted Options. The Board at its discretion may in the future elect to award directors fees for meeting attendance and chair committee members pursuant to industry standards.

The Company's current Fixed Plan and subsequently amended Rolling Plan (See Particular Matters to be Acted On) allows the Company to grant Options to the officers, employees and directors. The purpose of granting such Options is to assist the Company in compensating, attracting, retaining and motivating the directors of the Company and to closely align the personal interests of such persons to that of the Shareholders.

**SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS**

The following table sets forth as at the year ended February 29, 2020, the number of securities authorized for issuance under the Company’s Plan:

Corporate governance is the structure and process used to direct and manage the business and affairs of a corporation with the objective of enhancing shareholder value. The Board believes that the Company has in place corporate governance practices that are both effective and appropriate to the Company’s size and business operations.

To facilitate meeting this responsibility, the Board seeks to foster maintaining a culture of ethical business conduct and social responsibility as critically important. Going forward, upon the expansion in the size of the Board, the Board will review its corporate governance practices and consider, among other matters, whether it would be desirable to establish additional committees of the Board.

**Assessments**

The Board has not yet established a formal performance review process for assessing the effectiveness of the Board, the audit committee or the individual directors. It is expected that the contributions of an individual director are informally monitored by the other Board members, having in mind the business strengths of the individual and the reasons for which the individual was nominated for appointment to the Board. The Company will continue to develop its approach to corporate governance in light of its own circumstances and what are recognized as best practices in this area.

### THE AUDIT COMMITTEE'S CHARTER

#### ***Purpose***

The overall purpose of the Audit Committee (the "**Committee**") of **JIULIAN RESOURCES INC.** (the "**Company**") is to ensure that the Company's management has designed and implemented an effective system of internal financial controls, to review and report on the integrity of the financial statements and related financial disclosure of the Company, and to review the Company's compliance with regulatory and statutory requirements as they relate to financial statements, taxation matters and disclosure of financial information. It is the intention of the Board that through the involvement of the Committee, the external audit will be conducted independently of the Company's Management to ensure that the independent auditors serve the interests of Shareholders rather than the interests of Management of the Company. The Committee will act as a liaison to provide better communication between the Board and the external auditors. The Committee will monitor the independence and performance of the Company's independent auditors.

#### ***Composition, Procedures and Organization***

- (1) The Committee shall consist of at least three members of the Board of Directors (the "**Board**").
- (2) At least two (2) members of the Committee shall be independent<sup>1</sup> and the Committee shall endeavour to appoint a majority of independent directors to the Committee, who in the opinion of the Board, would be free from a relationship which would interfere with the exercise of the Committee members' independent judgment. At least one (1) member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices applicable to the Company. For the purposes of this Charter, an individual is financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.
- (3) All of the members of the Committee shall be "financially literate"<sup>2</sup>.
- (4) The Board, at its organizational meeting held in conjunction with each annual general meeting of the shareholders, shall appoint the members of the Committee for the ensuing year. The Board may at any time remove or replace any member of the Committee and may fill any vacancy in the Committee.
- (5) Unless the Board shall have appointed a chair of the Committee, the members of the Committee shall elect a chair and a secretary from among their number.
- (6) The quorum for meetings shall be a majority of the members of the Committee, present in person or by telephone or other telecommunication device that permits all persons participating in the meeting to speak and to hear each other.
- (7) The Committee shall have access to such officers and employees of the Company and to the Company's external auditors, and to such information respecting the Company, as it considers to be necessary or advisable in order to perform its duties and responsibilities.

1 "Independent" member of an audit committee means a member who has no direct or indirect material relationship with the Company. A "material relationship" means a relationship which could, in the view of the Company's Board of Directors, reasonably interfere with the exercise of a member's independent judgment.

2 "Financially literate" individual is an individual who has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

(8) Meetings of the Committee shall be conducted as follows:

(A) the Committee shall meet at least four times annually at such times and at such locations as may be requested by the chair of the Committee. The external auditors or any member of the Committee may request a meeting of the Committee;

(B) the external auditors shall receive notice of and have the right to attend all meetings of the Committee;

(C) management representatives may be invited to attend all meetings except private sessions with the external auditors; and

(D) the proceedings of all meetings will be minuted.

(9) The internal auditors and the external auditors shall have a direct line of communication to the Committee through its chair and may bypass management if deemed necessary. The Committee, through its chair, may contact directly any employee in the Company as it deems necessary, and any employee may bring before the Committee any matter involving questionable, illegal or improper financial practices or transactions.

(10) Any member of the Committee may be removed or replaced at any time by the Board and shall cease to be a member of the Committee on ceasing to be a director. The Board may fill vacancies on the Committee by election from among its number. If and whenever a vacancy shall exist on the Committee, the remaining members may exercise all its powers so long as a quorum remains in office. Subject to the above, each member of the Committee shall hold office as such until the next Annual General Meeting of the Shareholders after his/her election.

(11) The members of the Committee shall be entitled to receive such remuneration for acting as members of the Committee as the Board may from time to time determine.

### **Roles and Responsibilities**

In the event that on the date this Plan is implemented and effective (the **"Effective Date"**) there are outstanding stock options (the **"Pre-Existing Options"**) that were previously granted by the Company pursuant to any stock option plan in place prior to the Effective Date (a **"Pre-Existing Plan"**), all such Pre-Existing Options shall, effective as of the Effective Date, be governed by and subject to the terms of the Plan.

#### **3.3 Limits on Shares Issuable on Exercise of Options**

At the time of grant of any Option, the aggregate number of Shares reserved for issuance under the Plan which may be made subject to Options at any time and from time to time (including those issuable upon the exercise of Pre-Existing Options) shall not exceed 10% of the total number of issued and outstanding Shares, on a non-diluted basis, as constituted on the Grant Date of such Option. The execution of an Option Agreement shall constitute conclusive evidence that it has been completed in compliance with this Plan.

## **4. EXERCISE OF OPTION**

### **4.1 When Options May be Exercised**

Subject to sections 4.3 and 4.4, an Option may be exercised to purchase any number of Shares up to the number of Vested Unissued Option Shares at any time after the Grant Date up to 4:00 p.m. local time on the Expiry Date (the "Exercise Period") and shall not be exercisable thereafter. Notwithstanding anything else contained herein, Options may not be exercised during a Black-Out unless the Board determines otherwise. Notwithstanding any other provision of this Plan, the Exercise Period of Options that would expire during a Black-Out shall be extended to the date that is 10 business days following the expiry of the applicable Black-Out.

### **4.2 Manner of Exercise**

The Option shall be exercisable by delivering to the Company a notice specifying the number of Shares in respect of which the Option is exercised together with payment in full of the Option Price for each such Share. Upon notice and payment there will be a binding contract for the issue of the Shares in respect of which the Option is exercised, upon and subject to the provisions of the Plan. Delivery of the Optionee's cheque payable to the Company in the amount of the Option Price shall constitute payment of the Option Price unless the cheque is not honoured upon presentation in which case the Option shall not have been validly exercised.

### **4.3 Vesting of Option Shares**

The Directors, subject to the policies of the Exchanges, may determine and impose terms upon which each Option shall become Vested in respect of Option Shares. Unless otherwise specified by the Board at time of granting an Option, and subject to the other limits on Option grants set out in Section 3.3 hereof, all Options granted under the Plan shall vest and become exercisable in full upon grant, except Options granted to Consultants performing investor relations activities, which Options must vest in stages over twelve months with no more than one-quarter of the Options vesting in any three month period. Notwithstanding the foregoing, in the event that a Pre-Existing Plan imposed vesting requirements on a Pre-Existing Option, such vesting requirements must be satisfied before any such Pre-Existing Options shall become Vested.

#### 4.4 Termination of Employment

If an Optionee ceases to be an Eligible Person, his or her Option shall be exercisable as follows:

- (a) Death or Disability  
If the Optionee ceases to be an Eligible Person, due to his or her death or Disability or, in the case of an Optionee that is a company, the death or Disability of the person who provides management or consulting services to the Company or to any entity controlled by the Company, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of:
  - (i) 365 days after the date of death or Disability; and
  - (ii) the Expiry Date;
- (b) Termination For Cause  
If the Optionee, or in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person as a result of termination for cause, as that term is interpreted by the courts of the jurisdiction in which the Optionee, or, in the case of a Management Company Employee or a Consultant Company, of the Optionee's employer, is employed or engaged; any outstanding Option held by such Optionee on the date of such termination, whether in respect of Option Shares that are Vested or not, shall be cancelled as of that date.
- (c) Early Retirement, Voluntary Resignation or Termination Other than For Cause  
If the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person due to his or her retirement at the request of his or her employer earlier than the normal retirement date under the Company's retirement policy then in force, or due to his or her termination by the Company other than for cause, or due to his or her voluntary resignation, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 90 days (30 days if the Optionee was engaged in Investor Relations Activities) after the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person.

For greater certainty, an Option that had not become Vested in respect of certain Unissued Option Shares at the time that the relevant event referred to in this paragraph 4.4 occurred, shall not be or become vested or exercisable in respect of such Unissued Option Shares and shall be cancelled.

#### 4.5 Effect of a Take-Over Bid

If a *bona fide* offer (an "**Offer**") for Shares is made to the Optionee or to shareholders of the Company generally or to a class of shareholders which includes the Optionee, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of subsection 1(1) of the Securities Act, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon (subject to the approval of the Exchanges) all Option Shares subject to such Option will become Vested and the Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Option Shares received upon such exercise, pursuant to the Offer. However, if:

- (a) the Offer is not completed within the time specified therein; or

- (b) all of the Option Shares tendered by the Optionee pursuant to the Offer are not taken up or paid for by the offeror in respect thereof,

then the Option Shares received upon such exercise, or in the case of clause (b) above, the Option Shares that are not taken up and paid for, may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Option Shares, the Option shall be reinstated as if it had not been exercised and the terms upon which such Option Shares were to become Vested pursuant to paragraph 4.3 shall be reinstated. If any Option Shares are returned to the Company under this paragraph 4.5, the Company shall immediately refund the exercise price to the Optionee for such Option Shares.

#### **4.6 Acceleration of Expiry Date**

If at any time when an Option granted under the Plan remains unexercised with respect to any Unissued Option Shares, an Offer is made by an offeror, the Directors may, upon notifying each Optionee of full particulars of the Offer, declare all Option Shares issuable upon the exercise of Options granted under the Plan, Vested, and declare that the Expiry Date for the exercise of all unexercised Options granted under the Plan is accelerated so that all Options will either be exercised or will expire prior to the date upon which Shares must be tendered pursuant to the Offer. The Directors shall give each Optionee as much notice as possible of the acceleration of the Options under this section, except that not less than 5 business days notice is required and more than 30 days notice is not required.

#### **4.7 Effect of a Change of Control**

If a Change of Control occurs, all Option Shares subject to each outstanding Option will become Vested, whereupon such Option may be exercised in whole or in part by the Optionee, subject to the approval of the Exchanges, if necessary.

#### **4.8 Exclusion From Severance Allowance, Retirement Allowance or Termination Settlement**

If the Optionee, or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, pursuant to the Option Agreement with respect to the right to purchase Option Shares which were not Vested at that time or which, if Vested, were cancelled, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

#### **4.9 Shares Not Acquired**

Any Unissued Option Shares not acquired by an Optionee under an Option which has expired may be made the subject of a further Option pursuant to the provisions of the Plan.

#### **4.10 Delivery of Certificate and Hold Periods**

As soon as practicable after the receipt of the notice of exercise described in §4.2 and payment in full for the Optioned Shares being acquired, the Company will direct its transfer agent to issue a certificate to the Optionee for the appropriate number of Optioned Shares. Such certificate issued will bear a legend stipulating any resale restrictions required under applicable securities laws. In addition to any resale restrictions under applicable legislation, any options granted hereunder to Insiders or granted at any discount to Market Price, and all Shares issued on the exercise of such options will be subject to a four month hold period from the date the options are granted.

## 5. ADJUSTMENT OF OPTION PRICE AND NUMBER OF OPTION SHARES

### 5.1 Share Reorganization

Whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being herein called a "**Share Reorganization**") then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

- (a) the Option Price will be adjusted to a price per Share which is the product of:
  - (i) the Option Price in effect immediately before that effective date or record date; and
  - (ii) a fraction, the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and
- (b) the number of Unissued Option Shares will be adjusted by multiplying (i) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in subsection (a)(ii).

### 5.2 Special Distribution

Subject to the prior approval of the Exchanges, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares;

- (a) shares of the Company, other than the Shares;
- (b) evidences of indebtedness;
- (c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board of Directors of the Company has determined to be outside the normal course); or
- (d) rights, options or warrants;

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a "**Special Distribution**"), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

### **5.3 Corporate Organization**

Whenever there is:

- (a) a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the Company, other than as described in sections 5.1 or 5.2;
- (b) a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities; or
- (c) a transaction whereby all or substantially all of the Company's undertaking and assets become the property of another corporation;

(any such event being herein called a "**Corporate Reorganization**") the Optionee will have an option to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, he had been the holder of all Unissued Option Shares or if appropriate, as otherwise determined by the Directors.

### **5.4 Determination of Option Price and Number of Unissued Option Shares**

If any questions arise at any time with respect to the Option Price or number of Unissued Option Shares deliverable upon exercise of an Option following a Share Reorganization, Special Distribution or Corporate Reorganization, such questions shall be conclusively determined by the Company's auditor, or, if they decline to so act, any other firm of Chartered Accountants in Vancouver, British Columbia, that the Directors may designate and who will have access to all appropriate records and such determination will be binding upon the Company and all Optionees.

### **5.5 Regulatory Approval**

Any adjustment to the Option Price or the number of Unissued Option Shares purchasable under the Plan pursuant to the operation of any one of paragraphs 5.1, 5.2 or 5.3 is subject to the approval of the Exchanges and any other governmental authority having jurisdiction.

### **5.6 Disinterested Shareholder Approval**

An Issuer must obtain disinterested Shareholder approval of stock options if:

- (a) a stock option plan, together with all of the Issuer's previously established and outstanding stock option plans or grants, could result at any time in:
  - (i) the number of shares reserved for issuance under stock options granted to Insiders exceeding 10% of the issued shares;
  - (ii) the grant to Insiders, within a 12 month period, of a number of options exceeding 10% of the issued shares; or
  - (iii) the issuance to any one Optionee, within a 12 month period, of a number of shares exceeding 5% of the issued shares; or
- (b) the Issuer is decreasing the exercise price of stock options previously granted to

Insiders.

## **6. MISCELLANEOUS**

### **6.1 Right to Employment**

### **6.2 Necessary Approvals**

The Plan shall be effective only upon the approval of the shareholders of the Company given by way of an ordinary resolution. Any Options granted under this Plan prior to such approval shall only be exercised upon the receipt of such approval. Disinterested shareholder approval (as required by the Exchanges) will be obtained for any reduction in the exercise price of any Option granted under this Plan if the Optionee is an Insider of the Company at the time of the proposed amendment. The obligation of the Company to sell and deliver Shares in accordance with the Plan is subject to the approval of the Exchanges and any governmental authority having jurisdiction. If any Shares cannot be issued to any Optionee for any reason, including, without limitation, the failure to obtain such approval, then the obligation of the Company to issue such Shares shall terminate and any Option Price paid by an Optionee to the Company shall be immediately refunded to the Optionee by the Company.

### **6.3 Administration of the Plan**

The Directors shall, without limitation, have full and final authority in their discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations deemed necessary or advisable in respect of the Plan. Except as set forth in section 5.4, the interpretation and construction of any provision of the Plan by the Directors shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate officers of the Company and all costs in respect thereof shall be paid by the Company.

### **6.4 Withholding Taxes**

If the Company is required under the Income Tax Act (Canada) or any other applicable law to make source deductions in respect of employee stock benefits and to remit to the applicable governmental authority an amount on account of tax of the value of the taxable benefit associated with the issuance of shares on exercise of Options, then the Optionee shall:

- (a) Pay to the Company, in addition to the exercise price for the Options, sufficient cash as is reasonably determined by the Company to be the amount necessary to permit the required tax remittance;
- (b) Authorize the Company on behalf of the Optionee, to sell in the market on such terms and at such time or times as the Company determines a portion of the Shares being issued upon exercise of the Option to realize cash proceeds to be used to satisfy the required tax remittance; or
- (c) Make other arrangements acceptable to the Company to fund the required tax remittance, in compliance with the Exchange Policy 4.4.

The requirements of this section 6.4 shall not supersede the requirements of the policies of the Exchange.

#### **6.5 Amendments to the Plan**

The Directors may from time to time, subject to applicable law and to the prior approval, if required, of the Exchanges or any other regulatory body having authority over the Company or the Plan, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the Option Agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any Option previously granted to an Optionee under the Plan without the consent of that Optionee. Any amendments to the Plan or options granted thereunder will be subject to the approval of the shareholders.

#### **6.6 Form of Notice**

A notice given to the Company shall be in writing, signed by the Optionee and delivered to the head business office of the Company.

#### **6.7 No Representation or Warranty**

The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

#### **6.8 Compliance with Applicable Law**

If any provision of the Plan or any Option Agreement contravenes any law or any order, policy, by-law or regulation of any regulatory body or Exchange having authority over the Company or the Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

#### **6.9 No Assignment**

No Optionee may assign any of his or her rights under the Plan or any option granted thereunder. Each Option Agreement will provide that the Options granted thereunder are not transferable or assignable.

#### **6.10 Rights of Optionees**

An Optionee shall have no rights whatsoever as a shareholder of the Company in respect of any of the Unissued Option Shares (including, without limitation, voting rights or any right to receive dividends, warrants or rights under any rights offering).

In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.

#### **6.12 Governing Law**
